

## CFI Open Forum

At this open forum, we will discuss how to avoid loss of control (LOC) and how to teach risk strategies to prevent LOC. This interactive presentation also leads the participants in a discussion of best practices for developing evaluation scenarios and how to effectively teach. It allows FAASTeam Program Managers and designated FAASTeam Representatives, together with CFIs and DPEs, to discuss the benefits of teaching loss of control. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors-in-Training are welcome and encouraged to attend. Click the link below and register TODAY.

**Directions:** Take I-95 to Exit 19. Go north on Route 109 for 7.5 miles. Southern Maine Aviation will be on your left behind the Lucas Country Store (1.5 miles from intersection of route 4 and 109.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
